**ROLL-UP CAPITAL AND RENTTIGER RESOURCES ANNOUNCE COMPLETION
OF \$4.4 MILLION FINANCING IN CONNECTION WITH PROPOSED
QUALIFYING TRANSACTION**

February 9, 2017, Calgary, Alberta: Roll-Up Capital Corp. (TSX.V: ROL.P - the “**Company**” or “**Roll-Up**”), a capital pool company, is pleased to announce the closing by Renntiger Resources Limited (“**Renntiger**”) of: (i) a brokered private placement of 13,333,333 subscription receipts (the “**Subscription Receipts**”) at an issue price of \$0.30 per Subscription Receipt (the “**Issue Price**”) for aggregate gross proceeds of approximately \$4 million (the “**Brokered Offering**”) and (ii) a non-brokered private placement of 1,382,364 Subscription Receipts at the Issue Price for additional aggregate gross proceeds of approximately \$415,000, pursuant to the exercise of pre-existing participation rights by an existing shareholder of Renntiger (the “**Non-Brokered Offering**”, and together with the Brokered Offering, the “**Offering**”). The Offering was completed in connection with a proposed plan of arrangement transaction (the “**Plan of Arrangement**”) between Roll-Up and Renntiger, which will constitute Roll-Up’s “Qualifying Transaction” (the “**Transaction**”) on the TSX Venture Exchange (the “**TSXV**”). Following the completion of the Transaction, Roll-Up is referred to herein as the “**Resulting Issuer**”), and pursuant to the Transaction, all of the securities of Renntiger will be exchanged for, or will entitle the holders thereof to receive, securities of the Resulting Issuer.

Each Subscription Receipt will entitle the holder thereof to receive, without payment of any additional consideration, and, subject to adjustment, one unit of Renntiger (a “**Unit**”), upon satisfaction or waiver of the Escrow Release Conditions prior to the Escrow Deadline (each as defined below). Each Unit is comprised of one common share of Renntiger (a “**Unit Share**”) and one-half of one common share purchase warrant of Renntiger (each whole common share purchase warrant, a “**Warrant**”). Each Warrant entitles the holder thereof to purchase one common share of Renntiger (a “**Warrant Share**”) at a price of \$0.60 per Warrant Share for a period of 24 months following the date of completion of the Transaction.

The Brokered Offering was completed by GMP Securities L.P. and PI Financial Corp., as co-lead agents (the “**Agents**”). As consideration for their participation in the Brokered Offering, Renntiger has agreed to pay the Agents a cash commission equal to 7% of the gross proceeds of the Brokered Offering. The Agents’ cash commission plus a *pro rata* portion of interest accrued thereon will only be released to the Agents upon satisfaction or waiver of the Escrow Release Conditions. As additional consideration, Renntiger has issued on the date hereof a total of 933,333 compensation options to the Agents. Each such compensation option will entitle the Agents to purchase one common share of Renntiger at the Issue Price for a period of 24 months following the completion of the Transaction.

The gross proceeds of the Offering (less the Agents’ expenses incurred in connection with the Brokered Offering) have been deposited into escrow (the “**Escrowed Funds**”) and will only be released to Renntiger upon satisfaction of the following conditions (together, the “**Escrow Release Conditions**”) on or before 5:00 p.m. (Toronto time) on March 31, 2017 (the “**Escrow Deadline**”): (i) the completion

or satisfaction of all conditions precedent to the Transaction, to the satisfaction of the Agents; (ii) the receipt of all required shareholder and regulatory approvals, including, without limitation, the conditional approval of the TSXV for the Transaction; (iii) the receipt by the Agents of an opinion of counsel to Renntiger that upon issuance of the Units and completion of the Transaction, the securities of the Resulting Issuer issued in exchange for or in lieu of the securities of Renntiger will not be subject to any statutory or other hold period in Canada, subject to any conditions imposed under Section 2.6 of National Instrument 45-102; and (iv) Renntiger and the Agents, having delivered a joint notice and direction to the escrow agent confirming that the conditions set forth above, have been met or waived.

If (i) the Escrow Release Conditions are not satisfied on or before the Escrow Deadline, or (ii) prior to the Escrow Deadline, Renntiger advises the Agents or announces to the public that it does not intend to satisfy the Escrow Release Conditions, the Escrowed Funds (plus accrued interest earned thereon) shall be returned to the holders of the Subscription Receipts on a *pro rata* basis, and the Subscription Receipts will be cancelled without any further action on the part of the holders. To the extent that the Escrowed Funds (plus accrued interest) are not sufficient to refund the aggregate Issue Price paid by the holders of the Subscription Receipts, Renntiger will be responsible and liable to contribute such amounts as are necessary to satisfy any shortfall.

Upon escrow release to Renntiger, the net proceeds of the Offering (together with any *pro rata* portion of interest earned thereon) will be applied by the Resulting Issuer for the exploration and development of the Bonita copper and gold project in Nevada and for general corporate purposes.

All of the securities issued pursuant to the Offering are subject to an indefinite hold period under applicable securities laws in Canada. However, upon completion of the Transaction, the securities of the Resulting Issuer issued in exchange for or in lieu of the securities of Renntiger will no longer be subject to such hold period and the common shares of the Resulting Issuer will be listed and immediately tradeable on the TSXV.

This press release is not an offer of the securities for sale in the United States. The securities have not been registered under the U.S. Securities Act of 1933, as amended, and may not be offered or sold in the United States absent registration or an exemption from registration. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in any state in which such offer, solicitation or sale would be unlawful.

Qualifying Transaction Update

Further to Roll-Up's press release of January 5, 2017, Roll-Up provides the following update on the Transaction:

On January 17, 2017, Renntiger's shareholders approved the Plan of Arrangement. Renntiger intends to seek final Court approval of the Plan of Arrangement on or about February 14, 2017. Roll-Up has filed a draft Filing Statement with the TSXV. Roll-Up and Renntiger continue to work together to obtain TSXV acceptance of the Transaction as soon as possible.

On February 8, 2017, Roll-Up and Renntiger amended the arrangement agreement dated December 9, 2016, as amended on January 5, 2017, to reflect certain changes to the Offering as originally

contemplated, namely an increase in the Brokered Offering and the addition of the Warrant, and entered into an amended and restated arrangement (the “**Amended and Restated Arrangement Agreement**”). The parties anticipate that the Transaction, which still remains subject to approval by the TSXV, will be completed prior to the Escrow Deadline. For further details on the Transaction please see Roll-Up’s press releases dated December 9, 2016, December 12, 2016 and January 5, 2017. The Amended and Restated Arrangement Agreement is available on SEDAR under Roll-Up’s profile.
